Hi Adam,

Thanks for reaching out. Let me check with Kat and Meredith on their availability. I believe Kat is on vacation, and I would like her to be able to attend. I'll let you know today and/or call to figure out scheduling options.

Christine

Christine,

We're due to have the response from Mountain Valley Pipeline early next week and wanted to look at scheduling a working-level meeting to review the concerns and the responses.

The afternoon of Thursday October 14th (after 1 p.m.) and pretty much all day Friday October 15 look tentatively available for the Corps' folks and I thought I'd just check with you to see if either of those could work before resorting to a doodle poll.

Feel free to give me a call if you'd like to discuss.

Thanks!
